

# Road Report November 2023

- Completed Work
- Work in Process/Scheduled
- Decisions and Comments
- Thank you

# Completed Work

- 2 culverts replaced near the junction of Lake 12 Road and Balsam Road
- 2 culverts replaced near 92629 Lake 12 Road
- More road ROW's have been cleared and debris removed
- Asphalt patchwork and sealing on various Township roads
- Met with FEMA for site visits. They commented on how some of our culverts have been incorrectly installed and the lack of maintenance. This has also been noted by one of our contractors Gobel Excavating. Example shown

# Work in Process/Scheduled

---

- We are working on updating our road inventory with Pine County. We have found multiple mistakes from previous years and are working to get those corrected.
- ROW clearing is almost completed. Final inspection will take place before the end of 2023.
- The new Sturgeon Island bridge is open. The project is wrapping up for the year. The plan is for the project to be completed in the Spring/Summer of 2024
- There are a few culverts left to install in the next few weeks and ditch cleaning continues weather permitting
- Sturgeon Island Road asphalt project is planned for Spring 2024
- Sturgeon Island bridge cover is with engineering

Warbler Lane Project

## Decisions and Comments

---

No decisions at this time.

# Thank You!

- **We are making great progress in Windemere Township thanks to our professional contactors.**
- **Your hard work and cooperation is greatly appreciated!**
- Kiminski Paving
- Gobel Excavating and Aggregate
- Gregory Waldhalm Utility & Excavating
